**Phone:** (925) 371-5077

**Address:** 1485 Bayshore Blvd. San Francisco, CA 94124

**Geographic Coverage:**  
 California & West Coast

## CAPABILITIES NARRATIVE

Reva Murphy Associates, Inc. (RMA) is a women-owned, small disadvantaged construction firm with over 25 years of experience delivering roofing, water proofing, building envelope, and facilities sustainment solutions for federal, state, and municipal agencies. Established in 1998, RMA provides design-build, repair, alteration, and maintenance services for occupied, mission-critical, industrial, and infrastructure facilities located in California and The West Coast. The firm is structured to support recurring government requirements with disciplined project controls, safety compliance, and quality assurance aligned with FAR and agency standards.

## CORE COMPETENCIES

- Roofing replacement, restoration, and repair
- Waterproofing and water intrusion mitigation
- Building envelope and exterior systems
- Design-build construction delivery
- Facility maintenance, repair, and alteration
- Coatings, sealants, and remediation services
- Emergency and disaster response construction

## DIFFERENTIATORS

- Women-Owned Small Business (WOSB)
- Small Disadvantaged Business (SDB)
- DOT-Certified Disadvantaged Business Enterprise (DBE)
- Over two decades of proven construction performance
- Experience supporting occupied, high-risk, and historically significant facilities
- Strong safety culture, site-specific safety planning, and quality control discipline
- Bonded and disaster-response ready
- West Coast geographic service capability

## PAST PERFORMANCE

RMA supports construction, repair, alteration, and sustainment requirements across administrative, medical, educational, industrial and infrastructure assets. The firm is well positioned to support simplified acquisitions, emergency procurements, and task orders under IDIQ, MATOC, and JOC vehicles, with capabilities aligned to deferred maintenance, facility sustainment, and capital improvement programs.
